

## 80

### Heat Sink Tool

- Copper jaws absorb and dissipate heat to protect electronic components from heat exposure during soldering
- Solder will not stick to nickel-plated finish
- A necessity for electronic, industrial assembly and for laboratory work
- Soft plastic coated handles and no-slip spring tension
- Made in the U.S.A.
- Length: 3.25 in (82.55 mm)
- Weight: 0.5 oz (14 g)
- Part No.: 80280

## 85

### Long Nose Plier

- Perfect for precision assembly work
- Ideal for mechanics, technicians and hobbyists
- Spring closing action holds parts so they don't slip during assembly
- Narrow width, .25 inch (6.35 mm)
- Soft plastic coated handles
- Made in the U.S.A.
- Length: 9.25 in (234.95 mm)
- Weight: 2.7 oz (77 g)
- Part No.: 80285
